JUNE 14-17 2023

IT'S TIME TO SEE AMERICA
COME BACK TO JESUS

VISION

COMING TOGETHER TO MOBILIZE THE GOSPEL

*"God's people coming together and working together
for the sake of their loved ones and nation."*

We are working with believers, churches, mission agencies and business leaders to unite God's children missionally, to reach their loved ones, colleagues and neighbors through an evangelistic campaign. The end goal of this campaign is to get a face to face presentation of the gospel into every home across Dallas Fort Worth, using an event at AT&T stadium as the igniting spark to go love.

A CALL TO ACTION

John 17:21-24 states twice, that the world will **know** Jesus is God's Son because we are One. Our unity and love for one another will see our labors become more effective and fruitful.

The good news is that as we start to overcome what holds us back from unity, then we will see our fruit multiply, our churches overflowing and our communities transformed with the love of God.

FRUITFUL POWER OF UNITY

*It is time to see
America come
back to Jesus!*

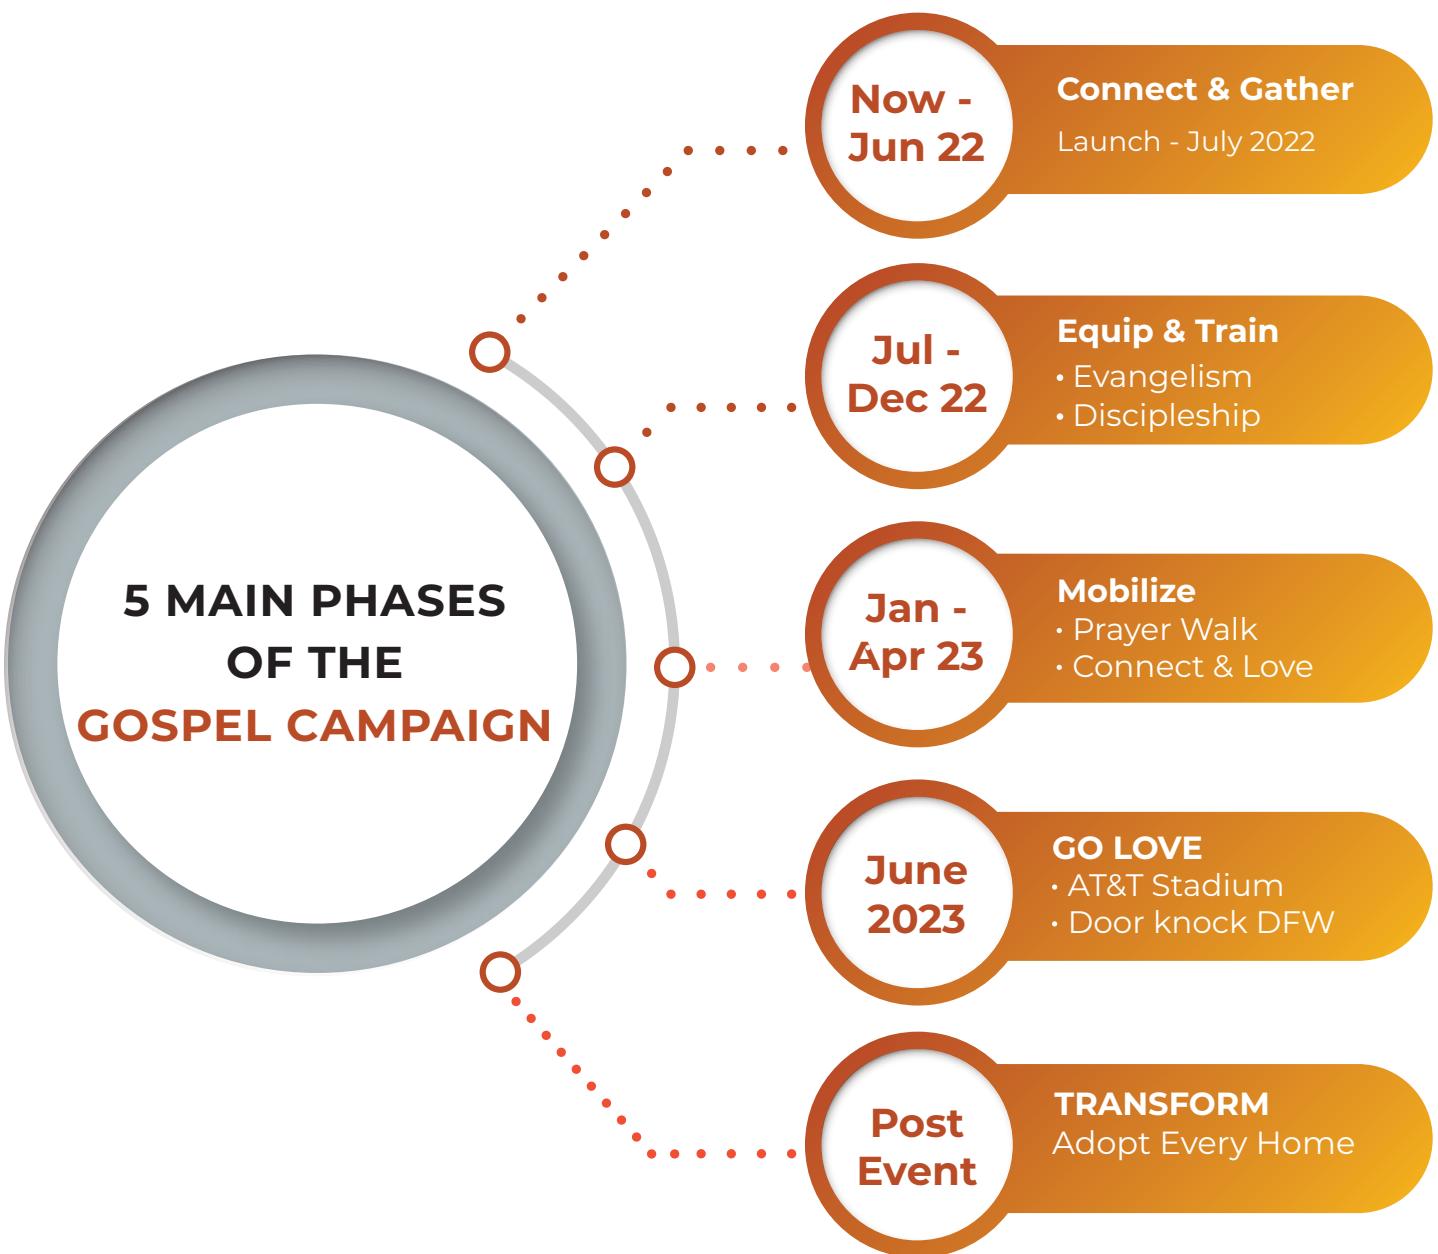

At a time when Christianity in America has been on a decline for decades, fear is rampant and political unrest is rising, we see there is a great need for hope and peace that comes only through the gospel of Jesus Christ.

The exciting news is that all these things have actually been producing a dissatisfaction with the status-quo, and they are causing a spiritual hunger unprecedented in our generation.

THE GOSPEL IS THE POWER OF GOD UNTO SALVATION

THE STRATEGY

CONNECT & GATHER

To bring city leaders together to pray and prepare a strategy to reach every home in the city. We suggest a campaign that has various equippings and pre-event outreaches (baby steps) before a main event, whose purpose is to gather to further equip, proclaim and mobilize.

EQUIP & TRAIN

Participating churches will hold evangelism and discipleship trainings. We use well-recognized programs for evangelism training. We also suggest using an adaptation of the "4 Fields" methodology for discipleship, but leave the discipleship training to each church/ministry.

THE STRATEGY

MOBILIZE

In lead up to the main event we will have two main outreaches:

1. Prayer Walk

An outreach that would see believers in the city walking their neighborhoods, praying for their neighbors, and leaving a small gift in each home.

2. Connect & Love

Another outreach into the same neighborhood's, intentionally meeting neighbors. This can be done through taking a survey, offering prayer and/or serving through some acts of kindness. This is a great way to initiate gospel conversations.

THE STRATEGY

GO LOVE

MAIN EVENT

Jesus Loves Australia 2018 ANZ Stadium Gospel Event

We gather morning and evening at AT&T Stadium over 5 days. There will be 50 different speakers from different streams of Christianity and many of the different churches involved in leading the program. We will also have 5 different evangelists in the evenings, proclaiming the gospel, and around 20 different worship artists/bands.

In the afternoon we pair up and head out to door knock the 2.7 M homes across DFW. Believers going back to the same neighbors we previously prayed for and met. However, this time after being equipped and empowered, we go intentionally to share the gospel.

WHAT IT TAKES?

Unless a grain of wheat falls into the ground and dies, it remains alone, but if it dies, it bears much fruit.

John 12:24

You may have heard people say they want 'to reach the lost at any cost'. In our context it is going to cost us personally to work together, but we will reach the lost more effectively. Ultimately, it's going to take a love that puts others first, overcomes fear, and is willing to pay the price for the sake of the lost. However, for the sake of America, our children and our neighbors, we can do this.

BEYOND THE EVENT

The catalytic key for this campaign, at a city level, is for missionaries, soul-winners and evangelists to lead the teams of 2-4 people each, that go do the door knocking. Only 10% of people learn through instruction, however, a further 50-70% learn through demonstration and practice.

The fruit of the campaign we are pursuing, is activating people into an evangelistic and missional lifestyle. We do intend to see souls saved and more than that disciples engaged, but missionally activated believers go on to multiply salvations and disciples beyond the event.

*Do you have what it takes?
Will you work together with other churches,
ministries and movements for the sake of our
loved ones and neighbors?*

HOW CAN YOU HELP TO BRING AMERICA BACK TO JESUS?

There are five main ways we are asking for your help to reach America with the gospel

PRAY

All revivals start with us. Pray for God to raise up laborers that would get a face-face presentation of the gospel to every last person in this nation

SHARE

As you pray, is there people who you know that need to hear about this campaign - to get involved?

COME

Can you come and lead people who have never shared the gospel? Can your church or ministry send a mission's team?

VOLUNTEER

Can you come help us prepare with evangelism and discipleship training; or helping with the event planning, engagement, marketing, and production.

DONATE

Will you invest in the future of America and the eternal destinies of the countless lost people, all around us.

WHO ARE THE JESUS LOVES MOVEMENT

We are believers who are nobodies from nowhere. We believe this is a time where God wants to use His people in His cities to reach their neighbors and loved ones.

To do this He will use the nobodies, who have a heart to work together for the sake of the lost.

This is done in the hope that nobodies from everywhere would rise up, unite and win their neighbors and city for Jesus, and not wait for Jesus Loves America to come to their city.
